

OUR LIFE TOGETHER

In Memoriam

The flowers on the Reredos today are given by David and Susan Crowe, with glory and thanksgiving for the safe and healthy arrival of Marissa Mae Axhorn, their 10th grandchild. We also share the joy of Marissa's baptism on November 3rd, accompanied by her loving brother and sister - Ethan and Alaina.

Spiritual Autobiographies – *Today! Amaechi Obiako*

We are starting something new at St. John's: Parishioners have agreed to talk to the congregation about their Spiritual Autobiographies right after the 10:30am., Sunday morning service. They will share what has been most important in their lives, especially their spiritual lives. This can include talking about the ups and downs of their faith, how they see God at work as they look back over their lives, what brought them to St. John's, and what they love about St. John's and their life of faith here among us. This will be a chance to get to know others in the congregation on a deeper level than in casual conversations.

Corina Bos

- Corina emigrated from the Netherlands with her family on her 10th birthday. They settled in Bowmanville and attended Rehoboth Christian Reformed Church.

- Corina was introduced to the Anglican church while attending Oxford University for a summer term studying the Renaissance and Reformation. The college had its own private chapel, and she fell in love with the liturgy.

- Corina is passionate about learning. She holds a B.A. from Redeemer College University, a B. Ed. from York University and an M.A. from the Free University of Amsterdam.

- A teacher with the Kawartha Pine Ridge District School Board for the past 20 years, she currently teaches a Grade 3/4 class at John M. James School.

- Corina enjoys being able to use her love of flowers, cooking and gardening in various ministries such as the Chancel Guild, Soup ministry and the Teaching Garden. She has taught Sunday School, takes care of the front entrance seasonal displays and is a chalice bearer. She enjoys volunteering, as well as helping out with a variety of events such as the annual Pancake Supper and Snowflake Bazaar.

- God is resurrecting skills she learned years ago. Through this nurturing St. John's community, God is allowing her to grow technically and spiritually through music.
